REVIEW REPORT OF CERTIFIED PUBLIC ACCOUNTANT

To the Shareholders and Board of Directors of General Environmental Conservation Public Company Limited

I have reviewed the consolidated balance sheet of General Environmental Conservation Public Company Limited and its subsidiaries as at September 30, 2010, and the related consolidated statements of income for the three-month and nine-month periods ended September 30, 2010 and 2009, changes in shareholders' equity and cash flows for the nine-month periods ended September 30, 2010 and 2009. I have also reviewed the balance sheet of General Environmental Conservation Public Company Limited as at September 30, 2010, and the related statements of income for the three-month and nine-month periods ended September 30, 2010 and 2009, changes in shareholders' equity and cash flows for the nine-month periods ended September 30, 2010 and 2009. These financial statements are the responsibility of the Company's management as to their correctness and completeness of the presentation. My responsibility is to issue a report on these financial statements based on my reviews.

I conducted my reviews in accordance with auditing standards applicable to review engagements. This standard requires that I plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit in accordance with generally accepted auditing standards. Accordingly, I do not express an audit opinion on the reviewed financial statements.

Based on my reviews, nothing has come to my attention that causes me to believe that the accompanying financial statements are not presented fairly, in all material respects, in accordance with generally accepted accounting principles.

I have previously audited, in accordance with generally accepted auditing standards, the consolidated financial statements of General Environmental Conservation Public Company Limited and its subsidiaries and the financial statements of General Environmental Conservation Public Company Limited for the year ended December 31, 2009, and in my report dated February 25, 2010, I expressed an unqualified opinion on those financial statements. The consolidated balance sheet of General Environmental Conservation Public Company Limited and its subsidiaries and the balance sheet of General Environmental Conservation Public Company Limited as at December 31, 2009, presented for comparative purpose, are parts of these financial statements on which I have audited and reported. I have not performed any auditing procedures subsequent of the date of that report.
