## **REVIEW REPORT OF CERTIFIED PUBLIC ACCOUNTANT**

To the Board of Directors of General Environmental Conservation Public Company Limited

I have reviewed the consolidated balance sheet of General Environmental Conservation Public Company Limited and its subsidiaries as at March 31, 2009, and the related consolidated statements of income, changes in shareholders' equity and cash flows for the three-month period then ended. I have also reviewed the balance sheet of General Environmental Conservation Public Company Limited as at March 31, 2009, and the related statements of income, changes in shareholders' equity and cash flows for the three-month period then ended. These financial statements are the responsibility of the Company's management as to their correctness and completeness of the presentation. My responsibility is to issue a report on these financial statements based on my review. The consolidated statements of income, changes in shareholders' equity and cash flows for the three-month period ended March 31, 2008, of General Environmental Conservation Public Company Limited and its subsidiaries, and the statements of income, changes in shareholders' equity and cash flows for the three-month period ended March 31, 2008, of General Environmental Conservation Public Company Limited, which are presented for comparative purpose, are components of the consolidated interim financial statements and the interim financial statements for the three-month period ended March 31, 2008, reviewed by other auditor whose report dated May 12, 2008, stated that nothing has come to his attention that causes him to believe that the financial statements for the three-month period ended March 31, 2008, are not presented fairly, in all material respects, in accordance with generally accepted accounting principles.

I conducted my review in accordance with auditing standards applicable to review engagements. This standard requires that I plan and perform the review to obtain moderate assurance as to whether the financial statements are free of material misstatement. A review is limited primarily to inquiries of company personnel and analytical procedures applied to financial data and thus provides less assurance than an audit in accordance with generally accepted auditing standards. Accordingly, I do not express an audit opinion on the reviewed financial statements.

Based on my review, nothing has come to my attention that causes me to believe that the accompanying financial statements for the three-month period ended March 31, 2009, are not presented fairly, in all material respects, in accordance with generally accepted accounting principles.

The consolidated financial statements of General Environmental Conservation Public Company Limited and its subsidiaries and the financial statements of General Environmental Conservation Public Company Limited for the year ended December 31, 2008, were audited by other auditor whose report dated February 20, 2009, expressed an unqualified opinion on those statements. The consolidated balance sheet of General Environmental Conservation Public Company Limited and its subsidiaries and the balance sheet of General Environmental Conservation Public Company Limited as at December 31, 2008, which have been presented herein for comparative purpose, are components of those financial statements. I have not performed any audit procedures subsequent to the date of that report.
